

## COMP90044 Research Methods: Assessment Calendar

*Date: 25<sup>th</sup> July 2018*

This is provided as a summary and overview of the main deadlines for the assessment elements for COMP90044. It will be updated regularly in case of any changes. These will also be announced via the LMS.

### Topic Selection:

Email [George.buchanan@unimelb.edu.au](mailto:George.buchanan@unimelb.edu.au) with your proposed topic title by Wednesday August 8<sup>th</sup>.

If you are a PhD student or doing a Masters by research also provide your PhD topic title, and your supervisors' names and email addresses.

If you are doing a taught Masters student who is already doing a research project with a chosen supervisor, give their name and email address.

For all other taught Masters students, surgeries will be run to help in topic choices

### Main assessments

**Assessment A:** Draft Literature Review – August 17<sup>th</sup> 2018

**Assessment B:** Paper Review or Comparison – August 31<sup>st</sup> 2018

For PhD students and Masters by Research students, undertake a review of a specific paper.

For all Masters by Coursework students, compare two papers on your chosen topic.

**Assessment C:** Revised Literature Review – September 21<sup>st</sup> 2018

**Assessment D:** Research Plan – October 5<sup>th</sup> 2018

**Assessment E:** Research Presentation – October 19<sup>th</sup> 2018

The deadline time for each date is 11:59pm.
